About This Game

The summer of bouncy, high-flying hijinks continues for the girls of SENTRAN KAGURA! They've fought rival ninja, evil masterminds, and apocalyptic demons from beyond the veil of sanity, but nothing—NOTHING in their lives has ever prepared them for...a water gun fight?!

Summoned to a mysterious tournament by its shady organizers, the buxom shinobi students team up and face off, using all kinds of water weapons to soak and splash their opponents. As they rise through the tournament brackets, they'll uncover the secrets behind the organization's secrets that hide an ever-growing threat to... Wait, what? Sorry, I was watching all the splashing.

Choose a team of five from the more than 30 girls available, outfit them with customizable weapons and abilities, lead them through lighthearted water gun battles across five single-player storylines, or join your friends online and take on opposing teams worldwide. Come on in; the water's great!

The "Sexy Soaker" edition includes the Soaking Wet High School Uniform costume, a set of colorful bikini costumes, the Futomaki Roll Bazooka special weapon, a Bebeby pet card, and a special set of skill cards, along with a downloadable soundtrack containing 47 music tracks.
